She was too good to me  
How can I get along now  
Sop close she stood to me  
Everything seems all wrong now  
She would have brought me the sun  
Making me smile that was her fun

If I was mean to her  
She would never say go away now  
I was a king to her  
Who's gonna light my way now  
It's only natural, I'm so blue  
She was too good to be true

She was too good to me  
How can I get along now  
Sop close she stood to me  
Everything seems all wrong now  
She would have brought me the sun  
Making me smile that was her fun

If I was mean to her  
She would never say go away now  
I was a king to her  
Who's gonna light my way now  
It's only natural, I'm so blue  
She was too good to be true

She was too good to me  
She was too good to be true
