(1967) Robin Gibb, Barry Gibb

I walk the lonely streets; I watch the people passing by.
I used to smile and say hello. I guess that that was just
a happy gap.

Then you happened, girl, this feeling that possesses
me.

I just can't move myself. I guess it all just had to be.

(Chorus)

I can't see nobody...no, I can't see nobody.

Mine eyes can only look at you...you.

I used to have a brain; I used to think of many things.
I watched the falling rain and listened to the sweet
birds sing.

Don't ask me why, little girl. I love you and that's all I
can say.

You're ev'ry ,ev'ry breath I take.You are my nights; my
night and day.

(chorus...)

Every single word you hear...is coming from this heart
of mine.

I never felt like this before...a love like yours so young
and fine.

And now as I try to forget you...it doesn't work out any
way.

I loved you such a long time ago...but in my eyes you'll
always be.

Every single word you hear...is coming from this heart
of mine.

I loved you such a long time ago...don't know why...

And I don't know why...baby...
