"If You Knew"

Visit "[If You Knew](#)" on MotoLyrics.com

If you knew how I missed you
You would not stay away today
Don't you know how I need you?
Stay here my dear, with me

I need you here, my darling
Together for a day, a day
Together never parting
Just you, just me, my love

I can't go on without you
Your love is all I'm living for
I love all things about you
Your heart, your soul, my love

I need you here beside me
Forever and a day, a day
I know whate'er betides me
I love you, I love you, I do
