The more I see you  
The more I want you  
Somehow this feeling  
Just grows and grows and grows

With every sigh  
I become more mad about you  
More lost without you  
And so it goes

Can you imagine  
How much I want you  
Well, the more I see you  
As years go by?

I know that the only one for me  
Can only be you  
My arms won't free you  
My heart won't try

Can you imagine  
How much I want you  
Well, the more I see you  
As years go by?

I know that the only one for me  
Can only be you  
My arms won't free you  
My heart won't try
