O-o-h child things are gonna get easier
O-o-h child things'll get brighter
O-o-h child things are gonna get easier
O-o-h child things'll get brighter

Someday we'll get it together and we'll get it undone
Someday when the world is much brighter
Someday we'll walk in the rays of a beautiful sun
Someday when the world is much lighter

O-o-h child things are gonna get easier
O-o-h child things'll get brighter
O-o-h child things are gonna get easier
O-o-h child things'll get brighter

Someday we'll get it together and we'll get it undone
Someday when the world is much brighter
Someday we'll walk together in a beautiful sun
Someday when the world is much lighter

O-o-h child things are gonna get easier
O-o-h child things'll get brighter
O-o-h child things are gonna get easier
O-o-h child things'll get brighter

Someday we'll get it together and we'll get it undone
Someday when the world is much brighter
Someday we'll walk together in a beautiful sun
Someday when the world is much lighter

O-o-h child things are gonna get easier
O-o-h child things'll get brighter
O-o-h child things are gonna get easier
O-o-h child things'll get brighter

Right now, right now
Right now, right now
Right now, right now
Right now
