(1970) Stan Vincent

O-o-h child things are gonna get easier  
O-o-h child things 'll get brighter  
O-o-h child things are gonna get easier  
O-o-h child things 'll get brighter

Someday we'll get it together and we'll get it undone  
Someday when the world is much brighter  
Someday we'll walk in the rays of a beautiful sun  
Someday when the world is much lighter

O-o-h child things are gonna get easier  
O-o-h child things 'll get brighter  
O-o-h child things are gonna get easier  
O-o-h child things 'll get brighter

Someday we'll get it together and we'll get it undone  
Someday when the world is much brighter  
Someday we'll walk in the rays of a beautiful sun  
Someday when the world is much lighter

O-o-h child things are gonna get easier  
O-o-h child things 'll get brighter  
O-o-h child things are gonna get easier  
O-o-h child things 'll get brighter

Someday we'll get it together and we'll get it undone  
Someday when the world is much brighter  
Someday we'll walk in the rays of a beautiful sun  
Someday when the world is much lighter

O-o-h child things are gonna get easier  
O-o-h child things 'll get brighter  
O-o-h child things are gonna get easier  
O-o-h child things 'll get brighter  
Right now right now
