Oh I'm lonely and left with tears and sorrow  
I can't face tomorrow since my love has gone  
He's left me left me for another and my heart went with  
him  
How can I go on

Was our love a game played for a day

Were you pretending two hearts gone astray  
Am I to blame for this unhappy ending

Nothing else is left me but a memory  
Beloved how I long to hold you in my arms enfold you  
Live again out happiness but now I can face tomorrow  
alone  
Since my love has gone
