Take me to the water  
Take me to the water  
Take me to the water  
To be baptized

So none but the righteous  
None but the righteous  
None but the righteous  
Shall be saved

So take me to the water  
Take me to the water  
Take me to the water  
To be baptized

I'm going back home  
I tell you going back home now, going back home  
Can't stay here no longer  
So I'm going back home, going back home now  
Going back home  
To be baptized
