This years crop of kisses
Don't seem as sweet to me
This years crop just misses
What kisses used to be

This years new romance
Doesn't seem to have a chance
Even helped by Mr. Moon above ohh

This years crop of kisses is not for me
'Cause I'm still wearin' last years love

This years crop of kisses
Don't seem as sweet to me
This year's crop just misses
What kisses used to be

This years new romance
Doesn't seem to have a chance
Even helped by Mr. Moon above

This years crop of kisses is not for me
Is not for me 'cause I'm still wearin' last years
I'm still wearin' last years
I'm still wearin' last years love
