I would do anything, anything you say  
If you would just be mine  
What more, what more can I say?

I would give anything, anything I own  
If you'd be my love  
What more, what more can I say?

Anything I've got to give, it's not a lot to give  
Baby if I'm giving it to you  
Anything is nice to give, I don't have to think twice to  
give  
That's how much I love you Daddy, that's how much I  
love you  
I say that's how much I love you  
That's how much I love you

I would go anywhere, anywhere you go  
If you just say you wanted me too  
What more can I say
