Bet you've been waiting for me
Oh, oh, this is what you wanted
Appoint a schedule for three.
Oh, oh in the morning
You know my guide is to please you, oh!

Girl I know, you don't want you to be nervous
Since it's your first time with me
Just sit back and breathe, breathe!

Oh, oh I'mma put my hands in places
Just to see if your body
I'ma the demo for you I'm paying with
See all you needed it was me.

Hook:
You don't need a prescription
Cause chances are odd
I might not see you again
So come and get you some bed medicine!
So can you take this shot?
Your temperature is hot
I'm gonna lay you down!
I might not see you again,
So come and get you some bed medicine!

Got you some Vitamin D
Oh, oh, now you're overdosing
If I get down on room will turn into the ocean.
You know my job is to please you
Girl, I know you can't give a purpose
And it's the first time with me
So just sit back and breathe!

Hook:
You don't need a prescription
Cause chances are odd
I might not see you again
So come and get you some bed medicine!
So girl, just take the shot! (medicine)
Temperature is hot (medicine)

I'm gonna lay you down
So come and get you some bed medicine!

I know you feel better (better)
Cause you can't even get up
Girl, when I see what you got
Your sex drive is too loud
Had to bring her right back up
You like that
I think you like that
Cause you ain't even fight back like that
Bet you never thought my love
Never thought my love
Never thought my love
Could be your drug, no, no, no!
I'll be your remedy
Whenever you need a phase
Call me doctor and I got you
You need a

You don't need a prescription
Cause chances are odd
I might not see you again
(Oh, oh, I might see you again)
So come and get you some bed medicine!
Girl, just take this shot (medicine)
Your temperature is so hot (medicine)
I'm gonna lay you down!
I might not see you again,
So come and get you some bed medicine!
