She don't wanna go, go, but that's cool
Cause she already know, know, how I do
She waiting her turn, she don't wanna leave
I can't blame her for wanting here with me, no!
She no fool, and everybody know, know, I'm not...
So if it ain't her, it would be her friend
I'm just trying to party like the world is gonna end, oh.
Oh, now I'm all up in my zone, I've been turning it up
All eye on one...
And ain't no way I'm leaving, this club is tonight alone
So who gonna be the lucky one that I take home?

Bridge:

Who that is?

I'm looking for a girl who gonna do it for me
Who gonna be the one that's gonna do it for me
Cause it's a lot of girls that will do it for me
So if it ain't you, she gonna do it for me, do it for me
yeah
Do it for me, she gonna do it for me
She gonna do it, she gonna do it for me, yeah
She gonna do it, she gonna do it for me, yeah
Cause it's a lot of girls that will do it for me
Say, who gonna be the one that will do it for me?

Chorus:

Why you plan, girl?
Why, why you plan, girl
Tell me what you plan,
Why you plan, girl?
Why you plan, girl?
You gonna do it girl?
You ain't girl!

Shawty dropping...

And I like the way, way that she move
Making it hard for me to chose
Be either way we go, go, I can't lose, no!
It's about time for me to pick the one,
I'mma put on in my ride
I gotta hurry up, make up my mind

So baby back it up, cause we're running out of time!
Now I'm all up in my zone, I'll be turning it up
All night so I'm on,
And ain't no way I'm leaving, this club is tonight alone
So who gonna be the lucky one that I take home?

Bridge:

Who that is?

I'm looking for a girl who gonna do it for me

Who gonna be the one that's gonna do it for me

Cause it's a lot of girls that will do it for me

So if it ain't you, she gonna do it for me, do it for me
yeah

Do it for me, she gonna do it for me

She gonna do it, she gonna do it for me, yeah

She gonna do it, she gonna do it for me, yeah

Cause it's a lot of girls that will do it for me

Say, who gonna be the one that will do it for me?

Chorus:

Why you plan, girl?

Why, why you plan, girl

Tell me what you plan,

Why you plan, girl?

Why you plan, girl?

You gonna do it girl?

You ain't girl!
