feat. Jhene Aiko

Nobody likes to start over  
Even if they know is over  
When we say till death do us part

I'll go a minute from the heart

I don't ever wanna ex-again  
Ex-again, ex-again  
So if you're planning no ex-again  
Ex-again, ex-again  
Leave me now

I don't ever wannar ex-again  
Ex-again, ex-again  
Ah ah ah  
And be forever my love, love

I've given up of love before  
Ah, just wanna be sure that you are the shore  
'Cause this is my last one try ooh  
'Cause all the past cast light when  
They say they would never make the same mistake  
As a last one I feel the sight I feels so right  
I'm feelin' the like you're the last one  
Could you be mine?  
And be forever my love, my love

I don't ever wanna ex-again  
Ex-again, ex-again  
So if you're planning no ex-again  
Ex-again, ex-again  
Leave me now

I don't ever wanna ex-again  
Ex-again, ex-again  
So if you're planning no ex-again  
Ex-again, ex-again  
Leave me now  
And be forever my love

You ain't go, stay together  
Stay together, stay together  
Less now, be together, be together  
Be together, be together  
You ain't go, stay together  
Stay together, stay together  
Ah ah aha, and be foever my love, love  
Forever my love, love.
