Eric Bellinger:

(Piano)

Do I love her, do I love her body?
Could it be that I'm just tryna get inside it
I'm excited, I can't hide it
Got me holdin up my jeans when I'm felt on
Youp, youp you know what it is
Everytime I do it I do it big
I been tryna figure out if I want her to go down south
[Chorus]
Cause I know it's a thin line between
Love and Lust
And it's crazy cause I know that she got everything I
need
but I know that it's a thin line between
Love and Lust
See Baby it's hard cause I don't know what to believe
Do I really want you or do I want your body
Do I want you, or do I want your body
Love and Lust Ohhh
When I go to bed I be dreamin bout it and when I wake
up I be thinkin bout it
Won't deny it, got to try it
When I get it will I quit it, will I move on
Will I still be in love, will my baby be the only One I'm
thinkin of
I'm just tryna figure out, if I'mma leave her will she
throw it at herself
[Chorus]
Cause I know it's a thin line between
Love and Lust
And it's crazy cause I know that she got everything I
need
but I know that it's a thin line between
Love and Lust
See Baby it's hard cause I don't know what to believe
Do I really want you or do I want your body
Do I want you, or do I want your body
Love and Lust Ohhh
Rap:
Yo I don't know if I'm in love
or if I just wanna take her to the bedroom and make her

body go
"na na na"
sing a melody like
"la la la"
but whateva the case girl, Im someone you can trust
e-e-even when it's Lust
At least I'm bein honest, not just tryna get it funny girl
Do I want you on your knees
or do I really wanna get down on my knee
and give you that ring girl
Cause thee say that if you like it, then you shoulda put
a ring on it
Do I want you or your body?
You or your body?

Love and Lust Ohhh
