Navigator, Navigator,
This gon' be your favorite song

Sailing crosses seven seasons find your hello.
Hoping that one day we will on the same boat
I could be your captain you're this one and i'll be
Sparrow
Brought together we'll be special

Guard to the water
I'll be to your body
Keep you safe from danger
Let me show you how to ride away
Baby I can tame a tsunami

I'll be saying high high, Navigator high high,
High high Navigator
High high
Navigator
Can I save ya

Hey girl want you in ma settle never let go
Tell us .. on a mission for survival
I ain't stoppin' to
Guard to the water
I'll be to your body
Keep you safe from danger
Let me show you how to ride away
Baby I can tame a tsunami

I'll be saying high high, Navigator high high,
High high Navigator
High high
Navigator
Can I save ya
