Eric:

Oh, whoa

Here you go again, complaining

You claiming, I'm outta line.

Here you go again, you say I'm spending

All my money, but not my time.

Didn't I say say I'd be back tomorrow.

Didn't I say I ain't seen your call.

Didn't I baby, didn't I, didn't I.

Didn't I say I would make it up,

Didn't I say I would -- it up, girl.

You know I did, what you talking bout?

Amber:

I get so lonely. (Eric: Girl you trippin')

Can't wait for you to come home, babe.

You are the one that made me feel like this.

I should never be lonely.

Eric:

How could you get so lonely, girl?

When you know I'm doing it for you.

You are the one, thought I lived inside your heart.

You should never be lonely.

Amber:

You say I never, should lonely.

And that I'm your one and only.

But the only time you ever seem to come around.

Is when I'm yellin', fussin', screamin' or I'm wildin' out.

Eric:

Didn't I say say I'd be back tomorrow. (Amber: No.)

Didn't I say I ain't seen your call. (Amber: Oh..)

Didn't I baby, didn't I, didn't I. (Amber: I don't recall.)

Didn't I say I would make it up,

Didn't I say I would -- it up, girl.

You know I did, what you talking bout?

Amber:

I get so lonely. (Eric: Girl you trippin')

Can't wait for you to come home, babe.

You are the one that made me feel like this.
I should never be lonely.

Eric:
Tell me.
How could you get so lonely, girl?
When you know I'm doing it for you.
You are the one, thought I lived inside your heart.
You should never be lonely.

Amber:
Oooh. (Eric: Oh why?)
Oooh. (Eric: Oh why?)

Eric:
I don't want no one but you.

Amber:
Oooh. (Eric: Oh why?)
Oooh. I should never be lonely.
