Make sure your hair's, up and above, up and above
Cause we don't need no interruptions
We make love, we make love, we make love
Maybe your nails gotta be done, gotta be done
That's bout all we gonn need tonight
Less is more, so much more!
You know what the dress code is, dress code is, yeah,
yeah
You know what the dress code is, dress code is, yeah,
yeah

You gotta be nude, baby you gotta be nude
I wanna see skin, when you're walking
Baby come through, all the way nude, yeah

You can wear, baby perfume, baby perfume, baby
perfume
And I don't mind a little make up, baby that's cool,
baby that's cool, baby that's cool
You ain't gotta worry bout me, I'ma work you, I'ma
work you
That's bout all we gonn need tonight
Less is more, so much more!
You know what the dress code is, dress code is, yeah,
yeah
You know what the dress code is, dress code is, yeah,
yeah

You gotta be nude, baby you gotta be nude
Walk through that door with nothing on
Baby, you gotta be nude, so that you can put me on
I wanna see skin, when you're walking
Baby come through, all the way nude, yeah

I'ma play this gentle, this is all on you
I might let you keep on those designer shoes, shoes
Promise you'll be safe with me, give me all your
energy
You're sexy in them vickies, no offence but if you likes
me
You like better when you're nude

Baby you gotta be nude
I wanna see skin, when you're walking
Baby come through, all the way nude, yeah
Nude, nude
