She wanna go through my phone  
I'm guessing she wanna be all alone  
She must've forgot that I'm a R&B singer  
She must've forgot she dealin' with a real nigga

She wanna be Sherlock Holmes  
She must now know that she could be gone  
She must've forgot that I'm a R&B singer  
She must've forgot she dealin' with a cold nigga

Hope she found what she was looking for  
'Cause she traded in love  
She traded in trust for that bullshit  
Hope she found what she was searching for  
'Cause we was all good  
Till she wanted to pull that bullshit

These are the pros and cons I'ma give 'em to you  
These are the ups and down I'ma sing 'em to you  
This shit that you can expect when you dealin' with a  
real R&B singer  
From a R&B nigga (x5)  
When you dealin' with a R&B singer

I mean  
You can't expect me to be  
Be singing to these women and  
Not respond to my talent you know what I'm saying  
I-I don't really know how else I can explain it but  
You'll learn
