Oh is that your new man
You look good on his arm
What you say, you got a baby on the way
That's cool I don't mean no harm
Oh he got you a new bag
To keep a smile on your face
But you ain't even into all that
You know he needs to be replaced
Instead of being all drastic
I'd rather be sarcastic
Oh you said our love was ever lasting
It's like my heart was made of plastic
More power to you (sike)
More power to you (sike)
More power to you
You know I'm just being sarcastic
Yeah yeah
What's that on your hand
I'm acting like I didn't notice
I guess he did what he can
I'm trying hard to keep it in focus
Oh but every thing's all good
Good as it's gon get
Girl I been off you
In fact I'd rather take the chance
Instead of being all drastic
I'd rather be sarcastic
Oh you said our love was ever lasting
It's like my heart was made of plastic
More power to you (sike)
More power to you (sike)
More power to you
You know I'm just being sarcastic
Yeah yeah yeah
Instead of being all drastic (You don't love him, you
love him)
I'd rather be sarcastic (You don't need him, you don't
need him)
Oh you said our love is ever lasting (You don't want
him, you don't want him)
It's like my heart would be of plastic (You don't love
him)

More power to you (sike)
More power to you (sike)
More power to you
You know I'm just being sarcastic
Yeah yeah yeah
(Chipmunk rap)
Forget another situation too serious (forget it)
Cause girls come and go like periods (yep)
Period you taught me that
I got a love receipt
Can I take it back
I donâ€™t wanna see you happy less it's with me
You hearts ice-berg, the rest is history
It's just a matter of time before you wake
I got a f**k waiting for you anytime you want a break

Instead of being all drastic
I'd rather be sarcastic
Oh you said our love was ever lasting
It's like my heart was made of plastic
More power to you (sike)
More power to you (sike)
More power to you
You know I'm just being sarcastic
yeah yeah yeah
You donâ€™t love him, you don't love him
You donâ€™t need him, you don't need him girl
You know I'm just being sarcastic
Oh Nah x4
Nah x6
Yeah x5
