It's gonna be your favorite song  
If you promise that you won't tell  
Meet me at the motel at 6  
And I'ma leave the light on  
And we could it turn it right on  
Come a little closer  
Don't be shy  
You ain't gotta keep your clothes on  
You could take the lights out  
[Chorus]  
So let me see you take it, take it, take it  
Baby take it off, baby take it off,  
So let me see you take your clothes off  
No bra, show off, go off,  
Let me see you  
Time is being wasted, I'm running out of patience  
Baby I ain't hating, just discriminating  
On your shirt, on your skirt, on them heels babe  
Gucci, Louie, Fendi, Prada girl you know that  
Won't be needed here, they can disappear  
All I wanna see is you and them sexy tattoos  
On your body, no clothes invited  
So before you hit the door,  
Baby girl get comfortable  
Girl you promised that you won't tell  
Meet me at the motel at 6  
And I'ma leave the light on  
And we could it turn it right on  
Come a little closer  
Don't be shy  
You ain't gotta keep your clothes on  
You could take the lights out  
[Chorus] x 2  
So let me see you take it, take it, take it  
Baby take it off, baby take it off,  
So let me see you take your clothes off  
No bra, show off, go off,  
Let me see you  
It's almost time to leave girl,  
What's it gonna be girl  
You can roll with me girl

Know you wanna see girl  
See the whip, see the crib,  
See the bedroom shower  
Kitchen counter, leave the room baby  
Let's get outta here, nothing to fear  
All I wanna see is you and them sexy tattoos  
On your body, no clothes invited  
So before you hit the door,  
Baby girl get comfortable  
Girl you promised that you won't tell  
Meet me at the motel at 6  
And I'ma leave the light on  
And we could it turn it right on  
Come a little closer  
Don't be shy  
You ain't gotta keep your clothes on  
You could take the lights out  
[Chorus] x 2  
So let me see you take it, take it, take it  
Baby take it off, baby take it off,  
So let me see you take your clothes off  
No bra, show off, go off,  
Let me see you  
I just wanna see you in your birthday suit  
In your birthday suit, even though it's not your birthday  
x 2  
[Chorus] x 2  
So let me see you take it, take it, take it  
Baby take it off, baby take it off,  
So let me see you take your clothes off  
No bra, show off, go off,  
Let me see you.
