I would never hurt you
I would never do that no
But if I ever hurt you
Would it be attention , no

All I wanna do is make you smile
All I wanna do is settle down
With you and nobody else

Ain't that what you want to hear
Ain't that what you want to hear
We can go where you wanna
Do what you wanna
Whatever you wanna
Anything you wanna
Ain't that what you want to hear
Ain't that what you want to hear
'Cause if that's the case girl
We can settle this right now

Baby if I had you
Tell me what would that mean with somebody else
I do whatever I gotta do to get you to myself
Girl If I had you
Tell me what that would mean with somebody else
I do whatever I gotta do to keep you to myself
Ain't that what you want?

Sounds good (I bet it do)
Sounds good (girl it's supposed to)
Sounds perfect baby
It sounds alright with me (I'm glad it sounds alright)
Sounds good (to you)
Sounds good
Sounds perfect baby
It sounds alright with me

If you say yes girl
I would never lead you on
I would tell the world
When I wanna keep it on the low

All I wanna do is make you smile
All I wanna do is settle down
With you and nobody else
Ain't that what you want to hear
Ain't that what you want to hear
We can go where you wanna
Do what you wanna
Whatever you wanna
Anything you wanna
Ain't that what you want to hear
Ain't that what you want to hear
'Cause if that's the case girl
We can settle this right now

Baby if I had you
Tell me what would that mean with somebody else
I do whatever I gotta do to get you to myself
Girl If I had you
Tell me what that would mean with somebody else
I do whatever I gotta do to keep you to myself
Ain't that what you want?

Sounds good
Sounds good
Sounds perfect baby
It sounds alright with me
Sounds good
Sounds good
Sounds perfect baby
It sounds alright with me

Baby if you do me right
I would never do you wrong
If I give you my heart
Boy dont break it

Girl I treat you right
I'll never do you wrong
If you give me your heart
I won't ever break it

Ain't that what you want to hear
Ain't that what you want to hear
We can go where you wanna
Do what you wanna
Whatever you wanna
Anything you wanna
Ain't that what you want to hear
Ain't that what you want to hear
'Cause if that's the case girl

We can settle this right now

Baby if I had you

Tell me what would that mean with somebody else

I do whatever I gotta do to get you to myself

Girl If I had you

Tell me what that would mean with somebody else

I do whatever I gotta do to keep you to myself

Ain't that what you want?
