[Chorus:]

didn't i hold you when you felt so numb  
didn't i showed you how to love someone  
didn't i, didn't, didn't i?  
don't tell me it hurts, tell me who loved you first!  
oh, oh, oh, oh  
tell me who loved you first!  
oh, oh, oh, oh  
tell me who loved you first!  
oh, oh, oh, oh  
tell me who loved you first!

head spinning all around  
your pictures standing alone in the crowd  
heart racing, i explode  
i feel you screaming but..  
do you hide in the crime, but you try to run away  
do you keep living repeating all the mistakes you made  
now you're calling, you're falling  
just know that when you're calling  
i want you to remember

[Chorus:]

didn't i hold you when you felt so numb  
didn't i showed you how to love someone  
didn't i, didn't, didn't i?  
don't tell me it hurts, tell me who loved you first!  
oh, oh, oh, oh  
tell me who loved you first!  
oh, oh, oh, oh  
tell me who loved you first!  
oh, oh, oh, oh  
tell me who loved you first!

hands shaking, breath..  
looking for someone that already miss  
you don't even know, you're losing control, oh, oh  
i see you hiding your crime, but you're trying to run  
away  
you keep living repeating all the mistakes you made  
today

now you're calling, you're falling,  
just know that we get calling  
i want you to remember!

[Chorus:]

didn't i hold you when you felt so numb  
didn't i showed you how to love someone  
didn't i, didn't, didn't i?  
don't tell me it hurts, tell me who loved you first!  
oh, oh, oh, oh  
tell me who loved you first!  
oh, oh, oh, oh  
tell me who loved you first!  
oh, oh, oh, oh  
tell me who loved you first!

you love, you cry, you.. you burn  
you fall, you laugh, you crash, you land  
you lose, you smile, you feel you learn  
you know inside who loved you first!  
oh, oh, oh, oh  
oh, oh, oh, oh  
oh, oh, oh, oh  
oh, oh, oh, oh  
tell me who loved you first!

[Chorus:]

didn't i hold you when you felt so numb  
didn't i showed you how to love someone  
didn't i, didn't, didn't i?  
don't tell me it hurts, tell me who loved you first!  
oh, oh, oh, oh  
tell me who loved you first!  
oh, oh, oh, oh  
tell me who loved you first!  
oh, oh, oh, oh  
tell me who loved you first!
