If I had another chance tonight  
I'd try to tell you that the things we had were right  
Time can erase the love we shared  
But it gives me time to realize just how much you cared

You know I won't hold you back now  
The love we had just can't be found  
You know I won't hold you back now  
The love we had just can't be found, oh

Hold you back now

Now that I'm alone it gives me time  
To think about the years that you were mine

Time can erase the love we shared  
But it gives me time to realize just how much you cared

You know I won't hold you back now  
The love we had just can't be found  
You know I won't hold you back now  
The love we had just can't be found, oh

You know I won't hold you back now  
You know I won't hold you back  
If I had another chance tonight  
I'd try to tell you that the things we had were right
