In the absence of humility  
You just turn your demons away  
The beat goes on  
But they lack the faith to pray  
The intensity is bleeding  
All those hearts that got in your way  
The girls move on  
To some love in men's parade

This life will find you  
Be there to blind you  
This groove you'll die for  
Lives on all along

If this ain't love  
I'm tired of breathing  
With you beside me  
I'll keep dreaming  
If this ain't love  
I'll stop believing  
That love conquers all

My delicious words have spoken  
We get crazy way too soon  
Our time has come  
Under this blood crimson moon

This groove you'll die for  
Lives on all along

If this ain't love  
I'm tired of breathing  
With you beside me  
I'll keep dreaming  
If this ain't love  
I'll stop believing  
That love conquers all

If this ain't love  
I'm tired of breathing  
With you beside me

I'll keep dreaming  
If this ain't love  
I'll stop believing  
That love conquers all
