You walked in my door, You stole my words  
Never been silenced, Never been quiet before  
You came into my life, you weren't supposed to come  
Never speechless, never been silenced before  
You're like a stupid little thing I don't want to call mine  
Your eyes blown like the day of light  
Your V-neck makes me run and hide, I don't want to go  
out tonight  
Empty bottles float ashore of your wasted mind  
Come on boy just have some pride  
Let me tell you something, Let me tell you something  
I really don't think I'm quite your type  
Big chunks of money in your bank account  
Think you can buy me out  
With Mommy's little paycheck  
Big muscles in the mirror  
So buttered up want some toast with your 6 pack of  
beer  
Don't hear a word I say  
No..Your so blown away  
You're like a stupid little thing I don't want to call mine  
Shhhhhh....  
What's that? You woke up in a bush last night? Huh.. No  
way...That's so tight!  
You're like a stupid little thing I don't want to call mine

Your eyes blown like the day of light  
Your V-neck makes me run and hide, I don't want to go  
out tonight  
Empty bottles float ashore of your wasted mind  
Come on boy just have some pride  
Let me tell you something, Let me tell you something  
Alpha Beta Gamma Phi...  
(Ryan's part)  
What's up ahh yeah What's up What's up...  
Got my spray tan, rainbow board shorts  
Brazilian wax, tribal tramp stamp  
Got to flex my pecks, rock the puka shells  
Surfed for 14 days, girl don't touch my hair  
My trucks raised up, my hat's to the side  
When I roll down the street all the chicks want a ride  
My mad rapping skills be paying all my bills

You're like a stupid little thing I don't want to call mine  
Your eyes blown like the day of light  
Your V-neck makes me run and hide  
I don't want to go out tonight  
Empty bottles float ashore of your wasted mind  
Come on boy just have some pride  
Let me tell you something, Let me tell you something  
(V-neck your v-neck.. burn that stupid v-neck, v-neck oh  
v-neck burn that stupid v-neck)
