I had a dream that I was ten again
So sweet so sweet so innocent
I walked across the open sand
Blue eyes blond hair a seashell in hand
You told me life was going to change one day
You've gotta be careful what you do and what you say
You've gotta be just who you are
Don't let anybody steal your heart
Wa oh Wa oh Here I go again just pretend
Please hold my hand like I was ten again
Wa oh Wa oh here I go again just pretend
Please hold my hand again like I was ten again
Yeah.. Ten again again again again
We used to go down to the sand and watch the stars as
they'd say hello hello goodnight
Run from the ocean tide think it'd swallow us alive
Wo oh try and catch my now

You two would hold my hands
Pick me up and make me dance oh I still have my
dancing feet on
Wa oh Wa oh here I go again just pretend
Please hold my hand like I was ten again
Wa oh Wa oh say my name again please just pretend
Please say my name like I was ten again, yeah
Ten again again again again
Watch the clouds go up and down
Side to side and jump around
Watch my feet fly off the ground swing me up and
swing me down
You and I were inseparable, never thought that I'd have
to grow older
Wa oh Wa oh here I go again
Please hold my hand like I was ten again
Wa oh Wa oh say my name again
Please say my name like I was ten again
Ten again again again again
Ten again again again
