Before dawn she appears
Out of breath, rousing me awake.
"These drunk sunken concrete commercial sluts, oh
please care no more"
I was a child then, this was my blanketed basket my
river.
To stay the night in another parking lot of a grocery
store,
Oh i really don't know it changes all the time.

Oh listen to me. Going on. When all you care to hear is
a love song, so here it goes...

I fell in love.
That was it, that was all it was.
I lie awake, lose the taste, oh it's beautiful.

Well as far as marriage goes, you're so sweet, you're
so logical
That's why I'm down on one knee begging baby please,
marry me.
Baby marry me. I'll be there, oh darling I'll be there.
Whether I love you or not.

So just stay the night in another parking lot of a grocery
store,
Oh I really don't know it changes all the time.
I was a child then, i didn't understand the pain in which
I was reaching at this point.
But you'll honestly carry, come on and carry.

Oh but you don't care, all you care to hear is a love
song
I fell in love.
That was it, that was all it was.
I lie awake, lose the taste

Lie awake, lose the taste.
Just lie awake, lose the taste

If it's wrong, what's wrong? All right.
