The night we met
I knew if I'd need you so.
And if I had the chance I'd never let you go.
So won't you say you love me.
I'll make you so proud of me.
We'll make them turn their heads every place
we'll go

So won't you please, be my little baby
Say you'll be my darling
Be my baby now
Oh-oh-oooh-oooh

I'll make you happy baby
Just wait and see
For every kiss you give me, I'll give you
three.
Oh since the day I saw you, I have been waiting for you
You know I will adore you till eternity

So won't you please
Be my little baby
Say you'll be my darling
Be my baby now
Oh-oh-oooh-oooh

Be my little baby
Say you'll be my darling
Be my baby now
Oh-oh-oooh-ooooh
