Let's Keep going 'til we're comatose  
Oh oh oh  
Let's Keep going 'til we're comatose

Give it to me 'til I, I can't take no more  
Give it to me 'til the lights, they go out  
and we are shoutin'

Oh oh oh  
Let's Keep going 'til we're comatose  
Oh oh oh  
Let's Keep going 'til we're comatose

I got a crush onn ya  
Maybe tonight I'll put the rush on ya  
Atracted when I got a touch of ya  
Think you could handle me  
And all the fun I bring

It must be destiny  
Why else would I be feeling so horny  
That's why you're here in front of me (of me)  
Let's get it in 'til the morning (oh oh)

Give it to me 'til I, I can't take no more  
Give it to me 'til the lights, they go out  
and we are shoutin'

Oh oh oh  
Let's Keep going 'til we're comatose  
Oh oh oh  
Let's Keep going 'til we're comatose

You feel the tremblin'  
That;s my body saying I'm ready  
A little forward, [????]  
Clock is tickin and I don't wanna waste no time

Hold Me  
Once you feel it flooded  
Go Slowly  
Two pieces of a puzzel

You know me  
The perfect fit I I I  
Ready for you

Give it to me 'til I, I can't take no more  
Give it to me 'til the lights, they go out  
and we are shoutin'

Oh oh oh  
Let's Keep going 'til we're comatose  
Oh oh oh  
Let's Keep going 'til we're comatose

Let's keep going

Give it to me

I can't wait
