Whenever I'm alone with you , you make me feel like i
am home again, whenever I'm alone with you, you
make me feel like i am whole again ...
whenever I'm alone with you, you make me feel like i
am young again, whenever I'm alone with you, you
make me feel like i am fun again.
however far away i will always love you however long i
stay i will always love you whatever words i say you
know I'll always love you i will always love you
whenever I'm alone with you, you make me feel like i
am free again, whenever I'm alone with you, you make
me feel like i am clean again....

however far away i will always love you however long i
stay i will always love you whatever words i say you
know I'll always love you i will always love you
