i no, i no, i no, i no

[chorus]

i know things will change this time  
well make it right  
ive changed my mind for me and you  
i know things will change  
for you and i  
i know our lives will break through

[verse 1]

we dont spend time lately  
hustlin' so we can make it  
long nights your not by my side  
i c the pain in ur eyes  
hes here for our family  
making money illegally  
but baby we need some change  
must be a better way

[hook]

baby if we work together  
bulid a future  
well make things better  
just take my hand we can(we can)  
do anything we plan  
belive and

[chorus]

[verse 2]

i dont wanna lose you baby (no no)  
so scared that the streets might take me  
wake and your not inside  
calls saying your not alright  
we chose the wrong stratgedy  
need to escape tragedy (ohh)  
and change our lives today  
i know theres a better way

[hook]

[chorus]

[verse 3]

come on boy  
lets go tonight (lets go)  
leave our troubles behind  
will the future make it right (right)  
this is our time (our time)  
nothing can stop us now  
well make it through somehow  
build a future make it right  
this is our time (our time)

[hook]

[chorus x3]

i no things will change somehow  
will make it ohh ohh
