Move your body girl
Makes the fellas go
The way you ride it girl
Makes the fellas go

Move your body girl
Makes the fellas go
The way you ride it girl
Makes the fellas go

All up in the club looking fly
Made your first approach and caught his eye
Slowly move your way towards the dance floor
Grab her hand and G with her

Hold her hip, got in the groove
Stand behind me, let me grind with you
If I lick my lips I'm prob'ly feeling you
I'ma make you go, ooh

Move your body girl
Makes the fellas go
The way you ride it girl
Makes the fellas go

Whoo
(You feelin' it now)
Take it slow, turn me on
Club gets warmer, body moves closer
One with the rhythm, don't stop moving
You're making me H O T

From head to toe I feel your flow
Vibe gets stronger, party seems longer
Makes me really want cha
Don't stop moving you're making me H O T

Move your body girl
Makes the fellas go
The way you ride it girl
Makes the fellas go

Move your body girl
Makes the fellas go
The way you ride it girl
Makes the fellas go

Move your body girl
Makes the fellas go
The way you ride it girl
Makes the fellas go

Move your body girl
Makes the fellas go
The way you ride it girl
Makes the fellas go

Can you feel the beat? Can you?
Can you feel the beat?
Can you feel the beat? Can you?
Can you feel the beat?

Can you feel the beat within my heart?
Can't you see my love shine through the dark?

Can you feel the beat?

Can you feel the beat within my heart?
Can't you see my love shine through the dark?
Can't you see that you must be a part
Of that beat in my heart?

Move your body girl
Makes the fellas go
The way you ride it girl
Makes the fellas go

Move your body girl
Makes the fellas go
The way you ride it girl
Makes the fellas go

Move your body girl
Makes the fellas go
The way you ride it girl
Makes the fellas go

Move your body girl
Makes the fellas go
The way you ride it girl
Makes the fellas go
