Knew tonight would be a rainy day
When you barely smiled, then you walked away
I could see the pain tears were from your eyes
Wishin' happy days, but you'll be alright

You deserve so much more
A lovely man to care for you
You don't have to hurt no more
You need another man
Who adores you
Ain't no change
So don't be scared to walk away

Never see you smile when he comes around
Feelin' fear inside and he scares you down
Keeps sleepin' with her but keepin' you near
Love you like a sister, can't you see what's goin' on
here?

You deserve so much more
A lovely man to care for you
You don't have to hurt no more
You need another man
Who adores you
Ain't no change
So don't be scared to walk away

Sittin' here with you on my mind
Hopin' you would see and take my advice
He's not for you, you need to let him go
Love ain't suppose to hurt, I'm tired of seein' you cry

Don't wanna see you cry no more
Just wanna see you strong
I hope you take your things and go
Listen to my song

You deserve so much more
A lovely man to care for you
You don't have to hurt no more
You need another man
Who adores you

Ain't no change
So don't be scared to walk away
