I wont stop until im sitting in s top seat  
Or im at the crossroads and me and Pac meet  
If you looking for that work, i got cheap  
I put shoes on a car like it got feet  
In 98 got caught up in a block sweep  
They had to catch me running tho, I am not sweet  
Now how you gonna say Philly Freck is not street  
Intarigatted by the feds, and do not speak  
I hand with neadrethal niggas that pop heat  
They do not sleep, they are out they selling rock deep  
Now pizzeria Angelo, he had to drop leak  
We can do our thang, just have to let the cops eat  
Now shortty got it on sale, like to swap me  
She make the job skee, give away the cock cheap ( maybe i fucked this 2 lines up )  
Who ever thaugt that I be rhyming over hot beats  
Or buying the newspaper to read the stock sheats

Move pies in the casket ( thats why i hustle for )  
Pave is in the chain ( thats why i hustle for )  
I like to play the private planes ( thats why i hustle for )  
We hit the club and make it rain ( thats why i hustle for )  
Make it out these mean streets ( thats why i hustle for )  
Making sure my team eats ( thats why i hustle for )  
A 100 carats in a piece ( thats why i hustle for )  
Motherfucker we the streets ( thats why i hustle for )

....how i pitch Os  
Plus the wrist frooze, give a bitch a quick cold  
You think i switch my rap name, the way i switch flows  
Out scotsdale arizona with the ritch hoes  
You know its rules when you riding thru my zipcode  
Keep your eyes to yourself and your lips closed  
Or we can get it jumpin like six foes  
Before the clip slows, nigga this is strip shows  
You know the rules to the game dog, your bitch choose  
Seven figures, thats 1 before the six Os  
How many bodies did this motherfucking clip hold  
everytime I try to count shit the list browse  
street nigga, cook butter on a bitch stove  
piece glittered, plus its butter in a sick roves  
schoffer he controles the speed the whip goes

easy pass, leave you fast, i just skip tove

Move pies in the casket ( thats why i hustle for )

Pave is in the chain ( thats why i hustle for )

I like to play the private planes ( thats why i hustle for )

We hit the club and make it rain ( thats why i hustle for )

Make it out of these mean streets ( thats why i hustle

Making sure my team eats ( thats why i hustle for )
