Can't you see how much I've changed  
Hardly any part of me remains  
So you and I could be the same

I tried to be the way you are  
But all that I've achieved so far  
Is driving us apart

I won't be your mirror

I can't keep doing what I do  
Bleaching out myself til I'm you  
Who you want me to be  
Is an echo of me

If I keep losing what I've got  
Turning into someone I'm not  
All you love, don't you see  
Is an echo of me

I can't be you; I can't pretend  
I don't know why you don't comprehend  
You wouldn't want me in the end

I never gave a guarantee  
I'd adjust 'til I could barely breathe  
I can't be all the things you need

I won't be your mirror

I can't keep doing what I do  
Bleaching out myself til I'm you  
Who you want me to be  
Is an echo of me

If I keep losing what I've got  
Turning into someone I'm not  
All you love, don't you see  
Is an echo, echo of me

You stole my heart

And so much of me  
Now I am only half  
Of what it takes to feel complete

I can't keep doing what I do  
Bleaching out myself til I'm you  
Who you want me to be  
Is an echo of me

If I keep losing what I've got  
Turning into someone I'm not  
All you love, don't you see  
Is an echo

I can't keep doing what I do  
Bleaching out myself til I'm you  
Who you want me to be  
Is an echo of me

If I keep losing what I've got  
Turning into someone I'm not  
All you love, don't you see  
Is an echo, echo of me
