Stay, don't stay  
I'm impossible when you're away  
And it's hopeless when you are around  
It's tearing me down

Blue, baby blue  
All the colours of the rainbow for you  
And I'm damned no matter what I do  
You're like a pebble in my shoe

I get a rush, rush, rush  
In the heat of the moment  
Rush, rush, rush  
And I'm loosing my cool  
Fool  
Waking up in the morning  
Always feeling sorry  
I get a rush

Go, don't go  
What's your business Mr Romeo?  
So mysterious and I'm well aware  
It's just an affair

Wrong maybe right  
I am waiting by your traffic light  
When you stop I am ready to go  
It's the devil you know

I get a rush, rush, rush  
In the heat of the moment  
Rush, rush, rush  
And I'm loosing my cool  
Fool  
Waking up in the morning  
Always feeling sorry

I get a rush, rush, rush  
In the heat of temptation  
Rush, rush, rush  
And I'm bending my rules  
Fool  
Waking up in the morning  
Always feeling sorry  
I get a rush

What has come over me?  
What has come over me?

[x3]

I get a rush, rush, rush  
In the heat of the moment  
Rush, rush, rush  
And I'm loosing my cool  
Fool  
Waking up in the morning  
Always feeling sorry
