I think I found the love that I'm after  
Fresh as a first kiss and it changed everything  
I've certainly had my share of disasters  
Now it all seems a little less crazy since you been  
coming around

So just sing to me sing to me  
Sing  
Sing to me, sing  
Oh, just sing  
Cuz, nobody else knows just how to  
Hush the world like you  
Sing to me, sing  
Oh just sing

I think I got the perfect solution  
Sweet as a spring rain and it took the pain away  
I've certainly had my share of confusion  
Now it all makes a little more sense ever since you  
came around

So just sing to me sing to me  
Sing  
Sing to me, sing  
Oh, just sing  
Cuz, nobody else knows just how to  
Hush the world like you  
Sing to me, sing  
Oh, just sing

O-oh, O-oh

I've certainly had my share of disasters  
Now it all seems a little less crazy since you been  
coming around

So, just sing to me sing to me  
Sing  
Sing to me, sing  
Oh, just sing  
Cuz, nobody else knows just how to

Hush the world like you  
Sing to me, sing  
Oh, just sing

O-oh, O-oh
