(CHORUS)

you a astronaut chick
&' that's the only thing that matter to me
you amaze me
on a whole nother level
me &' you , we light the room up ; when we together
anytime we having sex , we gotta break a sweat
cus we some space cadets
&' we dont wanna go to sleep ; cus we too obsessed
w. the high life , &' we gone blast off like a rocket
when the time right , aye when the time right

(VERSE1)

aye your style is impeccable , you so fuckin incredible
you on top of a pedestal , you shine like a bessel boo
sex ville avenue , im tryna buy you the avenue
you a astronaut baby .. everything we do brand new
more water than cancoon , me &' you we some tycoons
we light up a whole room , we hot like may &' june
more love than february , this sh*t aint no fairy tarry
the highest level you can go , go blow up til legendary
this outta space lingo ; i pour it on when its necessary
you a honor to me , i got that lumber like trees
i wear my heart on my sleeve , you got my heart in my
stomach

w/o a doubt in my mind , im taking off &' you comin

(CHORUS)

you a astronaut chick
&' that's the only thing that matter to me
you amaze me
on a whole nother level
me &' you , we light the room up ; when we together
anytime we having sex , we gotta break a sweat
cus we some space cadets
&' we dont wanna go to sleep ; cus we too obsessed
w. the high life , &' we gone blast off like a rocket
when the time right , aye when the time right

(VERSE2)

top floor of the penthouse , on the rooftop poppin
bottles
shawty she go both ways , anytime she go smash
models
addicted to the high life ; me &' you , we bout the same

gucci . louie . prada . when we walk , it aint no thang
got them VVs diamonds , they dont play .. them
b*tches blang
say you wanna go to pluto ; me & ' you , we are the
same
everytime we get together , extra fire to the flame
we was made for a space rocket , we dont ride planes
take off . take off , take off , take off , & ' blast
these hoes could never compare to you , you in a whole
nother class
you high siddity . you pretty . lights , camera , flash
focus on your future , ain concerned w. your past
(CHORUS)
you a astronaut chick
& ' that's the only thing that matter to me
you amaze me
on a whole nother level
me & ' you , we light the room up ; when we together
anytime we having sex , we gotta break a sweat
cus we some space cadets
& ' we dont wanna go to sleep ; cus we too obsessed
w. the high life , & ' we gone blast off like a rocket
when the time right , aye when the time right.
(VERSE3)
she got the red on the bottom of her shoes
w. a brain like that .. i cant lose
& ' it aint nothing for her , i cant do
& ' when im w. her , ian got none to prove
she accept me for me & ' i take ya for you
we get higher than skyscrapers & ' past the moon
we got a special connection & ' we can light up a room
we some astronauts baby , no cartoon . we outta here
& ' we ain gone never come to earth again
we never gone touch the surf again , designer gear is
all we in
outta space status , the most incredible bond & ' its full
of passion
a whole lot of passion
(CHORUS)
you a astronaut chick
& ' that's the only thing that matter to me
you amaze me
on a whole nother level
me & ' you , we light the room up ; when we together
anytime we having sex , we gotta break a sweat
cus we some space cadets
& ' we dont wanna go to sleep ; cus we too obsessed
w. the high life , & ' we gone blast off like a rocket
when the time right , aye when the time right.
