chorus:

got girls on girls on girls
i keep the big bank role
got racks on racks and chicks
i keep the big bank role
i'm a rock star and a merlin
i keep the big bank role
my lifestyle here in...
i keep the big bank role
i keep the big bank role
i keep the big bank role
i keep the big bank role
i keep the big bank role

gotta get money, bitch it ain't a secret
hiding on the watch, i won't be for nigga's people
...wanna be who you wanna be
fm chopper bullet, make them do a battlefield
see you hustling.. need to tell your grandma
holler away your change, you niggas... shallow!
...a hundred dollars for a lambo
you could follow the tray out from the cush,
you're trying to... us
young need shit, tell them all here they tame us
is all about the play, we ain't never putting the ass up

chorus:

got girls on girls on girls
i keep the big bank role
got racks on racks and chicks
i keep the big bank role
i'm a rock star and a merlin
i keep the big bank role
my lifestyle here in...
i keep the big bank role
i keep the big bank role
i keep the big bank role
i keep the big bank role
i keep the big bank role

i'm smoking good, i'm dropping fast

my homie good, we're flying past the landing gate
in vip see me with the hottest dames
i want the money, you can have the fame
several bottles so secret, had to change
maserati.. what they say to that man who stares
caught them all, diamonds all in the face
took them all up, had to... call them wait
i cheat her up, she love the flattery
then i beat it up... battery

chorus:

got girls on girls on girls
i keep the big bank role
got racks on racks and chicks
i keep the big bank role
i'm a rock star and a merlin
i keep the big bank role
my lifestyle here in...
i keep the big bank role
i keep the big bank role
i keep the big bank role
i keep the big bank role
i keep the big bank role

i take our bless, our space ship ain't in here
man, we're out of here
and that's how i... my lingo man
the niggas trying to interfere.
on presidential rally, everything about me turned up
you fuck around with stupid fuels,
get stupid, you get burned up
understand no sucker shit,
our plumbers said i don't trust the bitch
gotta keep a... go hard and don't get me quick
i started living drastic... all my glasses
i stepped up with my fair shit...
and now we're living lavish,
won't trade her for the world bitch
my wardrobe is outstanding
so now you can't even find me!

i got loud and i got lean
these models , these ain't...
i'm living at your dream, i'm living at your dream
i got girls on girls on girls
i keep the big bank role
i got racks on racks and chicks
i keep the big bank role
i'm a rock star and a merlin
i keep the big bank role
my lifestyle hell a..

i keep the big bank role
i keep the big bank role
i keep the big bank role
i keep the big bank role
i keep the big bank role
