"Dirty Sprite"

Visit "[Dirty Sprite](#)" on MotoLyrics.com

I'm on that Pimp C
I'm on that DJ Screw
I'm on that Big Hawk
I don't know what to do
Pour up a 3 or 4
My sprite so dirty fool
My bitch remind me all the time 'that drink will kill you

One, Two cups keep my ice cool
Three or four zips have me leaning like a fool
Purple Sprite on top of ice
I'm rocking ice I'm dirty sprite
I feel real nice to be precise my jewelry high as a kite
I'm space cadet
I drink a check
I spit a Check
Got much respect for Pimp C bitch
Hold my bitch, my bitch say 'why im on purple shit'
My purple stuff stay in my cup
Got drank on me I pour me up
Texas oil got me spoiled
Red and Yellow I'm leaning hard

I'm on that Pimp C
I'm on that DJ Screw
I'm on that Big Hawk
I don't know what to do
Pour up a 3 or 4
My sprite so dirty fool
My bitch remind me all the time 'that drink will kill you

I wake up leaning from last night
I drink my lean for breakfast
Im on that waffle house cup
I rock it to ...
I got my favorite drink with me it taste just like some
coo-aid
Pour me up a 3 or 4 gone have me leaning side ways
Well listen cold with screw up kit we be leaning always
Drinking all day Drinking tall cups I dont give a fuck
Im trued up With two cups

They shook up with dirty sprite
Promethazine can't get enough
Till I O.D you know whats up

I'm on that Pimp C
I'm on that DJ Screw
I'm on that Big Hawk
I don't know what to do
Pour up a 3 or 4
My sprite so dirty fool
My bitch remind me all the time 'that drink will kill you

Im moving slow the lights ain't bright as they supposed
to be
My eyes heavy see what happens when you fuck with
me
I think I lost my heart beat for a second in a half
I'm on that Easter pink sprite dirty flag
My ice in my cup filled up to the brim
Drink university even the teacher was a pimp
Church tapalapa drinking coffee like a pastor
Two cups filled with lean we so dirty sprite bastards

I'm on that Pimp C
I'm on that DJ Screw
I'm on that Big Hawk
I don't know what to do
Pour up a 3 or 4
My sprite so dirty fool
My bitch remind me all the time 'that drink will kill you
