What Burns And Glows Without Flame  
What Is A Rose Without Any Rain  
What Brings A Smile That Only Lasts A Little While  
And Makes Me Cry Without Shame

Well Now How Can You Please Me  
Torture And Tease Me  
Do It In The Name Of Love

Don't You Know How To Be Nice  
You Leave Me Without Thinkin' Twice  
You're Warm Like An Oven  
Only When You Want My Lovin'  
Then You Go From Fire To Ice

Well Now How Can You Please Me  
Torture And Tease Me  
Do It In The Name Of Love

Am I Comin'  
Am I Goin'  
I Got No Way Of Knowin' Your Mine  
You Make Me Rise And You Make Me Fall  
You Make Me Stumble, Stumble, Stumble, Stumble And  
Fall

Baby Get With It  
Come On Admit It  
Whisper To Me If You Don't Really Love Me Anymore

How Can You Please Me  
Torture And Tease Me  
Do It In The Name Of Love

You Make Me Rise And You Make Me Fall  
You Make Me Stumble, Stumble, Stumble, Stumble And  
Crawl  
Baby Get With It  
Come On Admit It  
Whisper To Me If You Don't Really Love Me Anymore

How Can You Please Me  
Torture And Tease Me  
Do It In The Name Of Love  
Do It In The Name Of Love  
Do It In The Name Of Love  
Do It In The Name Of Love  
Do It In The Name Of Love  
Do It In The Name Of Love
