Hook:

My bitch sounding foreign, fresh in Michael Jordan's
My car aint even drop yet, already done ordered it
Came across a fortune, now I got endorsements
You wanna see a movie, you can press record it
My bank roll enormous, and my girl is gorgeous
Did it with the forklift, pull up in them Porsche's
My chain is a stoplight, and I'm sitting on Forgi's
Tricking ain't a habit, if you can't afford it

Verse 1:

My shoe game is a 1000, what the fuck you doing
Hit it with the aviators, ain't no way you losing
Codeine in my styrofoam, leaning like a motorcycle
Ordered me a Bentley, and it coming with the title
Dolce and Gabbana, Hermes and Dior
I'm dressed so exclusive, its not in the stores
Fresh in Michael Jordan's, I think I can fly now
Drinking me some Germany, bad bitch in my
background
Audemar Piguet, Presidential Rolex
I might wear that Hublot, and it's fully loaded
My bank roll a billion, up there with the millions
I'm not your average star, I'm no where near civilians

Verse 2:

My steezy and my necklace (shining), glistening like
some crystals
I got on my jewelery, think I got that pistol

Pocket full of Franklin's, stuffed in my Versace's
Lean inside my cup, and I put ice inside my watches
Ordered up that new coupe, I just left the dealer
Ballin' like I shoot hoops, Michael Jordan my nigga
ESPN showtime, wanna watch my highlights
Future is a rockstar, and I live that high life
Bottles in my section, then you see them sparkles
Shawty in Giuseppe's, ain't that girl a model
Splurging is a hobby, money not a fargo
Yes I am a rich nigga, came straight from the bottom
