[Intro:]

Whatchu lookin for  
I'm lookin for a bitch  
That'll stay down for a nigga through thick and thin

[Chorus:]

Would you ride for yo nigga  
That's all I wanna know  
Would you die for yo nigga [Yea!]  
That's all I wanna know  
I'm lookin for a rider, a rider, a rider  
I'm lookin for a rider, a rider, a rider

[Verse 1:]

Got a bankroll now full of hundreds  
I could let you blow it right now uh hu  
If everythang failed would run run through the rain,  
shine, thunderstorms  
Would you fuck with the kid where I'm from... Gotta  
hold my bond, hold my gun  
When days get tight and I come in sweaty, Would you  
kiss all over me with yo tongue  
Would you ride for the kid, would you lie for the kid?  
Death before dis-honor  
When I'm on the road doin shows from Mississippi all  
the way to Hong Kong  
And we made the bond that's ways beyond loui vuitton  
loui vuitton, don't worry bout the money, the money  
gone come (Racks!)  
I just need to know these two questions

[Chorus:]

Would you ride for yo nigga {Aye, whatchu lookin for}  
That's all I wanna know  
Would you die for yo nigga  
That's all I wanna know  
I'm lookin for a rider, a rider, a rider  
I'm lookin for a rider {watchu lookin for}, a rider, a  
rider

[Verse 2:]

If some things on my mind I need to get off

Can I come to you?  
When I need to talk  
If I ever get lost, can you help me find my way back to  
my vault  
Would you cherish yo kid like you never had did  
Could you love me? Could you love my kids?  
Can you be there for me like you never had been  
Like any relationship you ever been in  
We make a connection that's full of affection  
Can you hold me down, Knowin my profession  
Will you wait for me patiently, tastefully  
Will your loyalty lead to royalty  
Can you answer these two questions please

[Chorus:]

Would you ride for yo nigga  
That's all I wanna know  
Would you die for yo nigga  
That's all I wanna know  
I'm lookin for a rider, a rider, a rider  
I'm lookin for a rider, a rider, a rider
