Shopping spree, shopping spree  
Shopping spree, shopping spree

Shorty want to take her shopping spree  
So she need a nigger on the grind  
Shorty want to take her shopping spree  
Then she want to make that pussy mine  
Shopping spree, shopping spree  
You never took her  
Shopping spree, shopping spree  
Shopping spree, shopping spree  
Want to go on a  
Shopping spree, shopping spree

I'm gunned up like you're mine  
Ain't nothing about a bitch new purse  
In fly bitch OR earth  
Five nigger who sell T-shirts  
T-shirt that shot for the word  
Lean got pants up under that skirt  
Walk red box and you feet's got to hurt  
Want to go splurge  
Want to go Gucci  
Want to go poaching  
Want to go shopping  
Want start over  
Want to go brag  
Want to go bustling  
I'll set you free  
Tell me where you with  
Tell me for the biz  
You got your nigger  
And all do win, win, win, win  
I stay here leaks again, again, again, again and again  
I'm forced off the train  
Is that way in  
You want to have a mojo  
Graf up a ten  
You want to have a style  
That can't be denied  
You look big holster

Drive a fly ride  
Want to hit the bank  
With a chick that's blank  
Want rodeo  
T you about to thank  
In New York  
Fashion Week  
Flash champagne  
And don't eat a thing

Shorty want to take her shopping spree  
So she need a nigger on the grind  
Shorty want to take her shopping spree  
Then she want to make that pussy mine  
Shopping spree, shopping spree  
You never took her  
Shopping spree, shopping spree  
Shopping spree, shopping spree  
Want to go on a  
Shopping spree, shopping spree

Put down all of you bide  
Presidents you wrist  
Gucci, Pucci, Louis  
Crisp that little routine  
Let's take us trip to flips  
Then shot like a birthday hip  
You fuck the cake that biz  
I'm buy goods every day this shift  
Your purse matching you ear grind  
Your ear grind matching your shoe  
So kneel on, kneel on that  
You sick of Jenna too  
You ever think I played for the families  
I'll be bird con too  
Yo nigger grab this 75  
You shot to the face  
Turn blue  
Your Louis V drank champagne  
Going to spit you back to Iraq  
You keep your little mouth clever  
I'm a let you play with this set  
This set right here full of Hummers  
Them boy damn brought their hundreds  
You roll up this  
Got a day in  
Bought two flat screens for your mama

Shorty want to take her shopping spree  
So she need a nigger on the grind  
Shorty want to take her shopping spree

Then she want to make that pussy mine  
Shopping spree, shopping spree  
You never took her  
Shopping spree, shopping spree  
Shopping spree, shopping spree  
Want to go on a  
Shopping spree, shopping spree
