Got The Gucci Boots On Like Its Snowing, Straight Up
Big Booty Freak And She Foreign, Straight Up
All My Whole Team We Very Important, Straight Up
I Put Red On The Bottom Of Ya Shoes, Straight Up
I Got Racks On Me, Straight Up
With A Gat On Me, Straight Up
Ima Spaz On Ya, Straight Up
Throw Some Cash On Ya, Straight Up
Moley With The Lean Feel Like You Come From Another
Planet, Straight Up
Every Car I Drive You Know It Gotta Be Panamera

[Verse 1]

Im fly like plane, & I ain't go never land
I tie my strings, Cause I run to them bandz
Im on the Moley, Don't fuck around with them zans
Got them baby bottles, with the activist ain't playing
Im a high top, I'm in popular demand
With a pent house, but guess where I been staying
In a condominium, with this fat ass Dominican
Got To Cost Over 80 Racks Just For Me To Gone Sit In
I'm an astronaut, yes, yes, yes I am
Ima Take This Guapp & Cash Out On A Lamb
Throw Some Red Bottoms, Jimmy Choos be all you
wearing
Fuck the dress code, nigga it ain't no comparing

[Verse 2]

Ima go to mars & take the baddest broad
This ain't no Facade
She a natural born star

Emilio, Valentino Gucci
Slow my flow
We Go To Sleep In Gucci
This ain't tricking off
This how you kick it with a boss
We blasting off, like a rocket what you thought?
On another level, we put diamonds in our cross
Keep that heavy metal, like a rockstar so dont you
cross
From another planet, yes, yes, yes I am
I got ya baby mamy, she in love with who I am
Riding Panoramic, with the turbo booster
She got the red on her, like she down with suwooo
