Following The Shadow Of The Eagle As He Flies  
By And By  
On My Way Back Home  
Telling All The Stories  
Of A People That I Love  
By And By  
On My Way Back Home  
Through The Eye Of The Eagle  
Take Me Home

The Wolf Drinks From The River As I Do  
He Is My Brother  
By And By  
Cuz He Is Loving Too  
Old Man Being Of The Earth

Can You Tell Me Of My Worth  
On My Way Back Home  
Through The Eye Of The Eagle  
Take Me Home

Following The Shadow Of The Eagle As He Flies  
By And By  
On My Way Back Home  
Walking Down The Ragged Timberline  
To Greet The Mountain Snow  
On My Way Back Home  
Through The Eye Of The Eagle  
Take Me Home
