Hey yo esco, pour me up another cup of that dirty
Act ready to go â€¦ on that exoticâ€¦we bout to go in

Trap house wit no doors, I got 40 rooms
Penthouse with a flow, feel like youâ€¦
Very bad bitches, every single color
Birds still flying, and don't have to touch them
Trap house wit no doors, I got 40 rooms
Penthouse with a flow, feel like youâ€¦
Very bad bitches, every single color
Birds still flying, and don't have to touch them

Photo â€¦inside the dummy
Trap house wit no doors, â€¦ is walkingâ€¦
Coming with a loaf, you know I'm going â€¦
I'm stick it to the code, that's all outâ€¦
G shit, g shit, yeah, I'm a hustler
Them bees in, bees in, I'ma move them like a truck
Got a bird's eye view, with a penthouse room
My lil yellow bitch laid in the house â€¦the room
She bad and she fine, she sleeping on birds
I Versace my sheets, spend by a hundred this week
I bought the 2 â€¦fully loaded and added theâ€¦
And I'ma get it right back when you get â€¦

Trap house wit no doors, I got 40 rooms
Penthouse with a flow, feel like youâ€¦
Very bad bitches, every single color
Birds still flying, and don't have to touch them
Trap house wit no doors, I got 40 rooms
Penthouse with a flow, feel like youâ€¦
Very bad bitches, every single color
Birds still flying, and don't have to touch them

I take the Malley, you gonna swear I done been to
college
Feel like I'm on a Schroon, all this money in this room
Water flow like â€¦ man I swear my diamonds the
shiniest
â€¦ can't even tell what time it is
Put the 5 on high, let it cook and dry

Hit my cellie, when you get through, I'ma stop by
We get to the money, send birds on fly
Cooking that money, on the corn every day and
night

Trap house wit no doors, I got 40 rooms
Penthouse with a flow, feel like you
Very bad bitches, every single color
Birds still flying, and don't have to touch them
Trap house wit no doors, I got 40 rooms
Penthouse with a flow, feel like you
Very bad bitches, every single color
Birds still flying, and don't have to touch them

Trap house wit no doors
cook my work all week on
the stove
On Sunday I use the flow
2 guys with no doors
Remix, remix, I sell them all half and half
I let them birds take a bath
Leaning how I feel, eyes closed counting racks
My head is a
I got everybody mad
When my spot open, you can't even sell a
Trap house wit no doors, come and buy yourself some
swag

Trap house wit no doors, I got 40 rooms
Penthouse with a flow, feel like you
Very bad bitches, every single color
Birds still flying, and don't have to touch them
Trap house wit no doors, I got 40 rooms
Penthouse with a flow, feel like you
Very bad bitches, every single color
Birds still flying, and don't have to touch them.
