"Bay of Angels"

I'm watching the jet planes land
Over the bay of angels
With nobody in command
A room full of total strangers

It's all I can do just to stay here
And bring myself back down to earth
If ever you're lost on your way here
You'll see me, with a view from the top of the world
The top of the world
The top of the world, ooooh, ooooohhhh

I'm building myself back up
Out of the sleeping sickness
That's keeping me out of luck
And out of the bigger picture

It's all I can do just to stay here
And bring myself back down to earth
If ever you're lost on your way here
You'll see me, with a view from the top of the world
The top of the world
The top of the world, ooooh, ooooohhhh

If ever you're lost on your way here
And need to come back down to earth
There's plenty of room, you can stay here
I'll find you, with a view from the top of the world
The top of the world
The top of the world
The top of the world
The top of the world, ooooh, ooooohhhh
