Bent out of shape

her body moves and pull the feeling from your face completely screwed.

All out of style

why can't you see there's so much sadness in your smile

it's always you who has to..

Burn faster

Cut deeper

Hit harder

Fall further

Always the same

Can't change your colours or you'll look the other way for a better view.

The bitter taste

you broke the mould that held you firmly in your place and now it's you who has to..

Burn faster

Cut deeper

Hit harder

Fall further

When every little step you take, Keep making the same mistake Yeahh.

Burn faster

Cut deeper

Hit harder

Fall furtherrrrr...
