In the black and white colour baby
You were hypnotized and wanted to wake me
Hold my appetite, it's so lazy
You're my satellite blood sugar baby
Home is where my dead body lies
Sleeping safe til I'm paralyzed
Hold me close I'll get tranquilized
Don't forget to breathe
Breathe
Breathe

Your sleeping skull is a miracle
Just lying there filled with potential
Every candidate is an empty shell
In the alleyway ringing like a church bell
Home is where my dead body lies
Sleeping safe til I'm paralyzed
Hold me close I'll get tranquilized
Don't forget to breathe
Breathe
Breathe

Breathe
Breathe
Breathe

Home is where my dead body lies
Sleeping safe til I'm paralyzed
Hold me close I'll get tranquilized
Don't forget to act satisfied
Home is where my dead body lies
Sleeping safe til I'm paralyzed
Hold me close I'll get tranquilized
Don't forget to breathe
Breathe
Breathe

Breathe
Breathe
Breathe
Breathe
